Dear Sir or Madam,

Stepping Stones Preschool (SSP) is a NAEYC accredited non-profit organization that provides quality early childhood education. We are proud to have been able to serve our community and provide children with the beginnings of brilliant academic careers and social foundations for 40 years.

As a non-profit school, we rely on donations, fundraising events, and program fees to help us provide our students and families with the highest quality education and experience. The Ice Cream Social, scheduled for April 24, 2018, is by far our largest fundraiser, and we would love to be able to feature your company and products in our online and day-of-event silent auction. Last year's online silent auction was visited more than 9,000 times and our event is attended by hundreds of families of current, past and prospective students.

Funds raised through our silent auction may be used for the purchase of classroom supplies, playground equipment, continuing education opportunities for our teaching staff, and/or other school improvements. Most importantly each dollar earned from your donation will impact the development and experience of each and every child that attends Stepping Stones Preschool.

All donations will need to be received by March 1, 2018. All donations are tax deductible (tax I.D. # 94-2437102).

To donate:

1. Complete and sign the attached donation form.
2. Return the donation form to Stepping Stones Preschool by faxing or mailing it to the above address.
3. Deliver or mail your donation to Stepping Stones Preschool, or indicate on the form if pick-up is needed.

If you have any questions, please feel free to contact me. Thank you in advance for your consideration and generosity.

Kind Regards,

Kassandra Fish

Silent Auction Donation Opportunities

“Who” Is Stepping Stones Preschool?

Stepping Stones Preschool is a non-profit preschool that have served our community for 40 years, and have been NAEYC (National Association for the Education of Young Children) accredited for over 25 years. We are very proud of both these achievements, and it speaks volumes as to the commitment of both our families and our staff. Our families are involved on a day-to-day basis, which allows us to have small class sizes (maximum 1:5 adult/child ratio), and our staff have been with us for an average of 15 years, with nearly 200 years of combined experience! NAYEC accreditation is holding us to incredibly high national standards. Only 6% of preschools nationally are accredited.

What Is the Ice Cream Social?

The Stepping Stones Preschool Annual Ice Cream Social is our signature fundraising event and is attended by hundreds of families. It is a family-oriented fun event that features carnival style games and activities for the kids, an ice cream bar, a silent auction and food trucks.

The silent auction has two parts to it: an online component that is live for two weeks prior to the event, and an on-site component during the event. Last year we had more than 9,200 visits to the online auction site and our event was attended by hundreds on past, present and future families.

Why You Should Donate:

Donating to the silent auction will not just help us raise funds for an amazing school, but give your company the opportunity to reach audiences mainly in the greater Northwest Valley. Though our online auction had bidders from as far away as IN and CA last year! Your business and donation will be promoted through photos and direct links from our auction site to your website or social media account; through exposure at our event; and through mentions on our social media and in the school newsletters.

When Is the Event? The online silent auction will open at 5:00p.m. on April 10, 2018 and close at 8:00p.m. on April 24, 2018.

Where Is the Event? On our online auction site (exact auction url to be assigned closer to the date of the event) and at Stepping Stones Preschool located at 3951 Happy Valley Road, Glendale, AZ 85310.

How Can I Donate? Fill out the enclosed donation form in its entirety and either mail or deliver it to the school before March 1, 2018. If you would like a school representative to come and pick up the form and donation, please just let us know. Donations may be combined with other donations.

Once the donation is received, a parent board representative will contact you about your preference of logos and/or photos to use (up to 4) to promote your donation on the auction site, or feel free to email any photos (.jpg, .gif, or .png files) to donate@steppingstonesaz.com
